How to find a Master account by its number

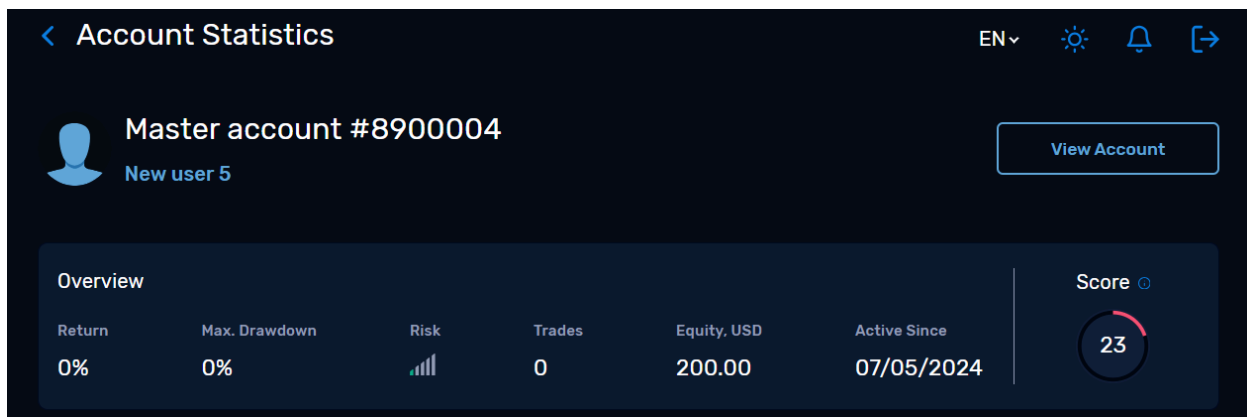

1. Go to **PAMM > Leaderboard**
2. On the Leaderboard page, click on **Find by Number**

3. Enter the account number, and click on **Proceed**

4. Result will automatically bring you to the account's **Statistics** page.

How to subscribe to the fund

1. To create a PAMM subscription, go to **PAMM > Leaderboard**.
2. Select a master account you want to subscribe to.

3. To subscribe to the selected master account, click **+Follow**.
4. In the **Create New Subscription** popup,

Do the following:

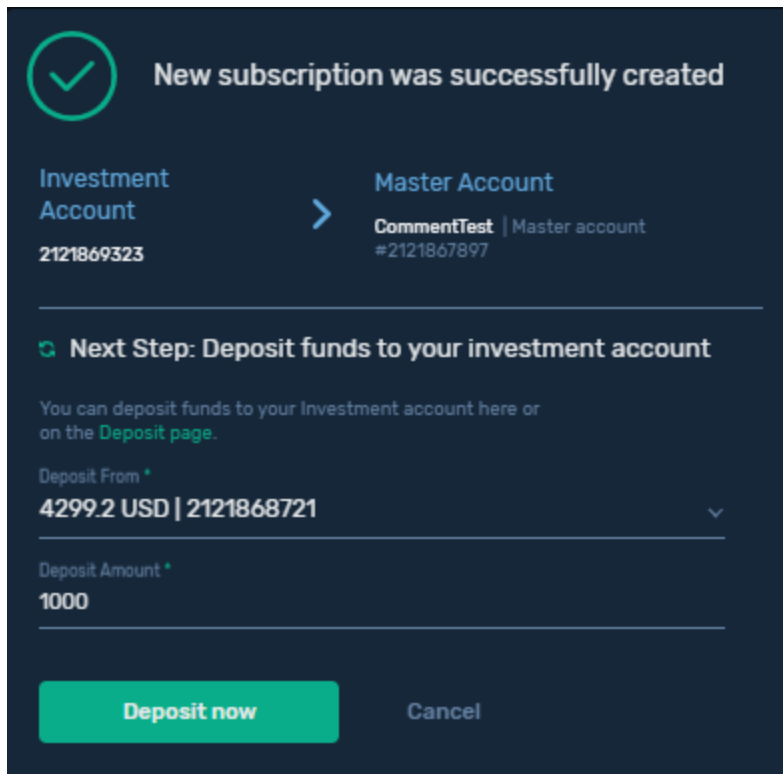

- If you have several investment accounts, expand the dropdown and select the account that you want to subscribe to the selected master account. Alternatively, you can create a new investment account by clicking Create new Investment account (for details, refer to Create an investment account).
- View the fee plan specified for the master account.

This plan will be applied to your subscription. In accordance with the specified plan, fees will be charged periodically at the listed rates.

- Read the terms and conditions, and check the box to accept them.

5. To create the subscription, click **Subscribe**.

6. Deposit funds into your investment account as follows:

New subscription was successfully created

Next Step: Deposit funds to your investment account

You can deposit funds to your Investment account here or on the [Deposit page](#).

Deposit From *
4299.2 USD | 2121868721

Deposit Amount *
1000

Deposit now Cancel

- In the Deposit dropdown, select a wallet or another master or investment account from which you want to transfer funds. In the Deposit amount field, enter the amount to transfer, and click Deposit now.
- Alternatively, transfer funds to your investment account on the Transfer page

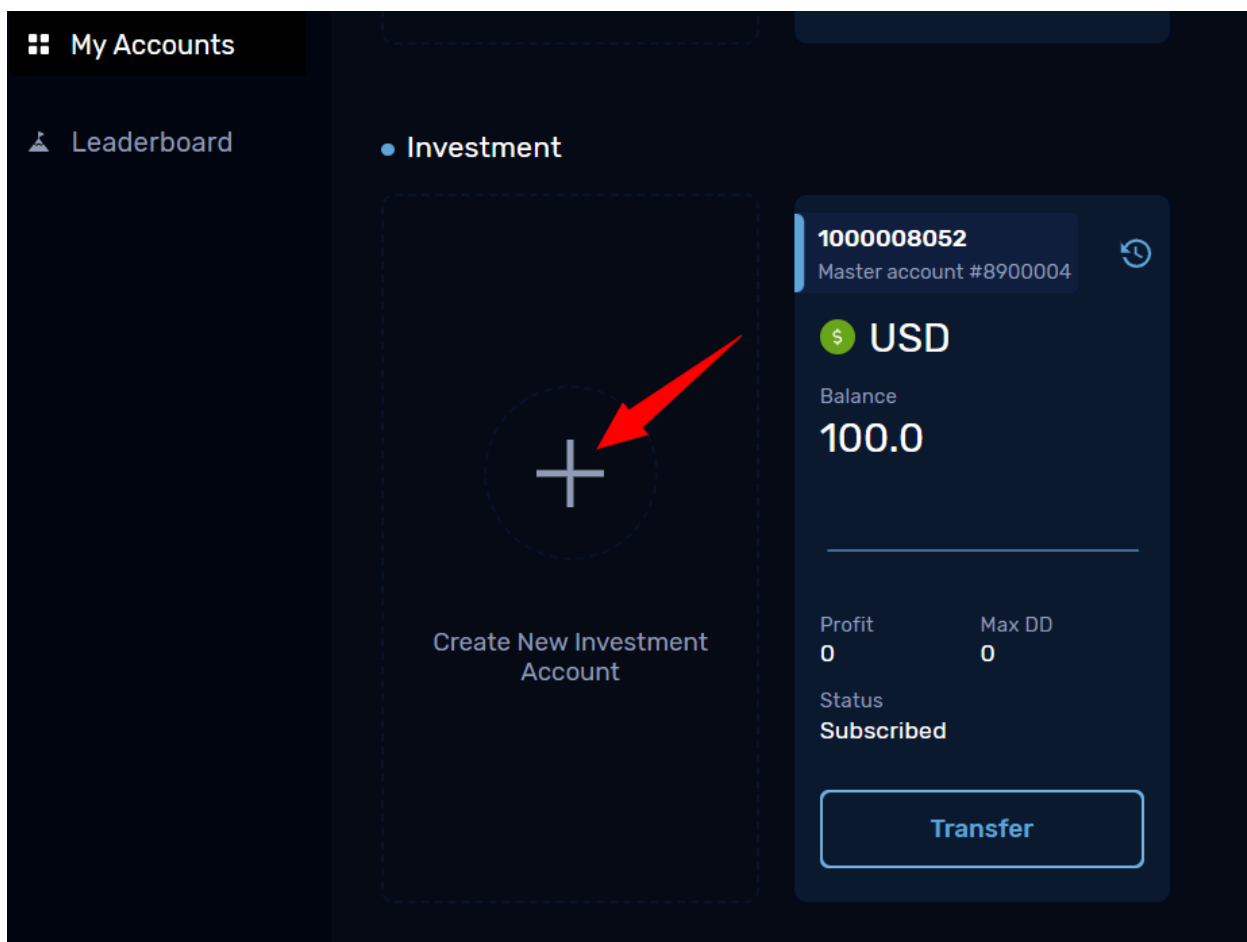

7. To transfer the required funds and create the subscription, click Subscribe to Master Account.

- The subscription details are sent to your email address.
- You can modify the subscription settings, pause it if needed, or terminate it.

How to create a PAMM Investor account

The best way to create an Investment account is to find the strategy first, and then create the investment account after clicking the Follow button.

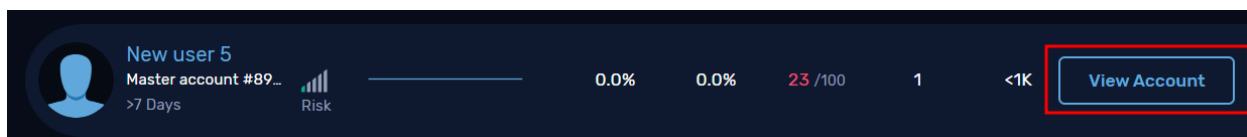

1. To create a PAMM Investor account, go to **PAMM > My Accounts**.
2. Under the **Investment** section, click **Create New Investment Account**.

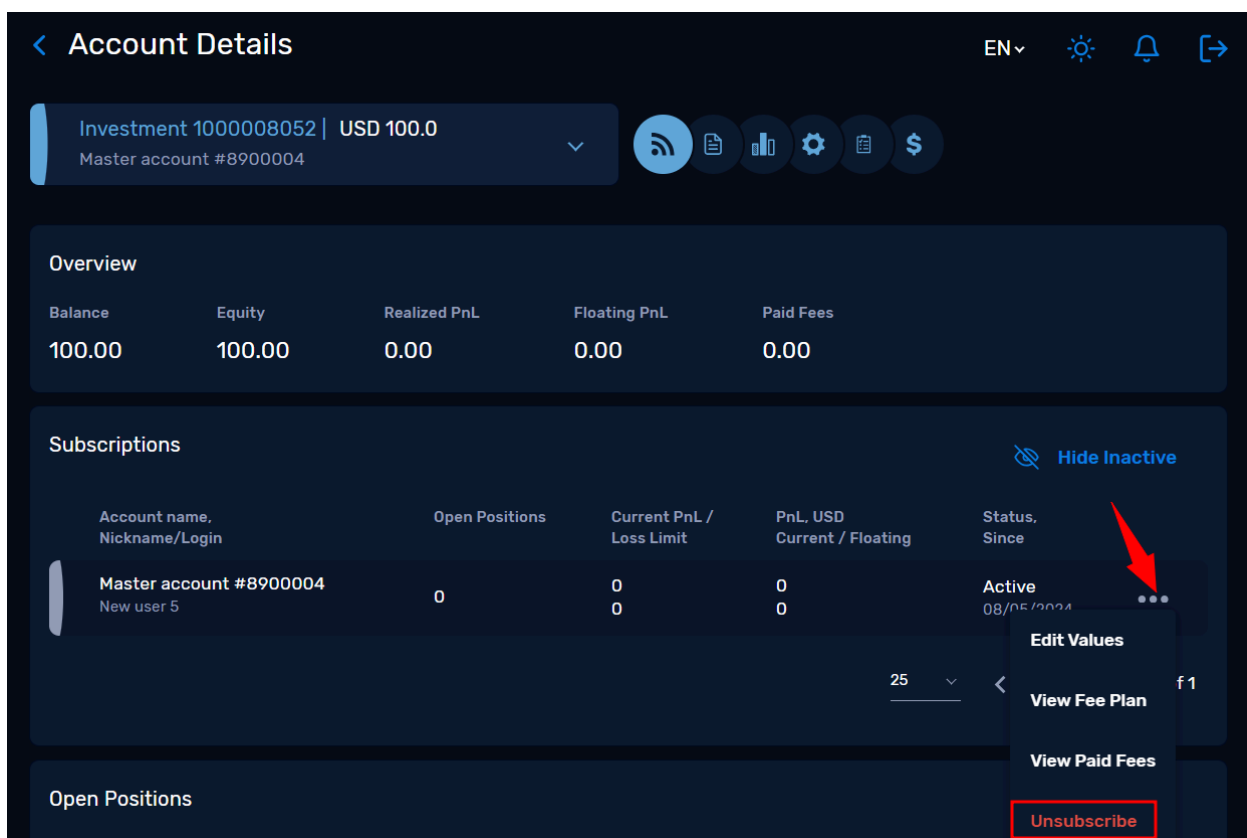

3. In the **Create new Investment account** popup, specify the following settings:
 - a. In the **Platform** dropdown, select an account group.
 - b. In the **Currency** dropdown, select the currency you want to denominate in your Investor account.
 - c. In the **Leverage** dropdown list, select a leverage ratio.
4. Click **Proceed**.

How to unsubscribe from the fund

1. Go to **Leaderboards** and look for the Master Account you want to unsubscribe from.
2. Click on **View Account**.

3. On the **Account Details** page, scroll down to the **Subscriptions** section and find the subscription you want to unsubscribe from.
4. Click on the menu icon and click on Unsubscribe.

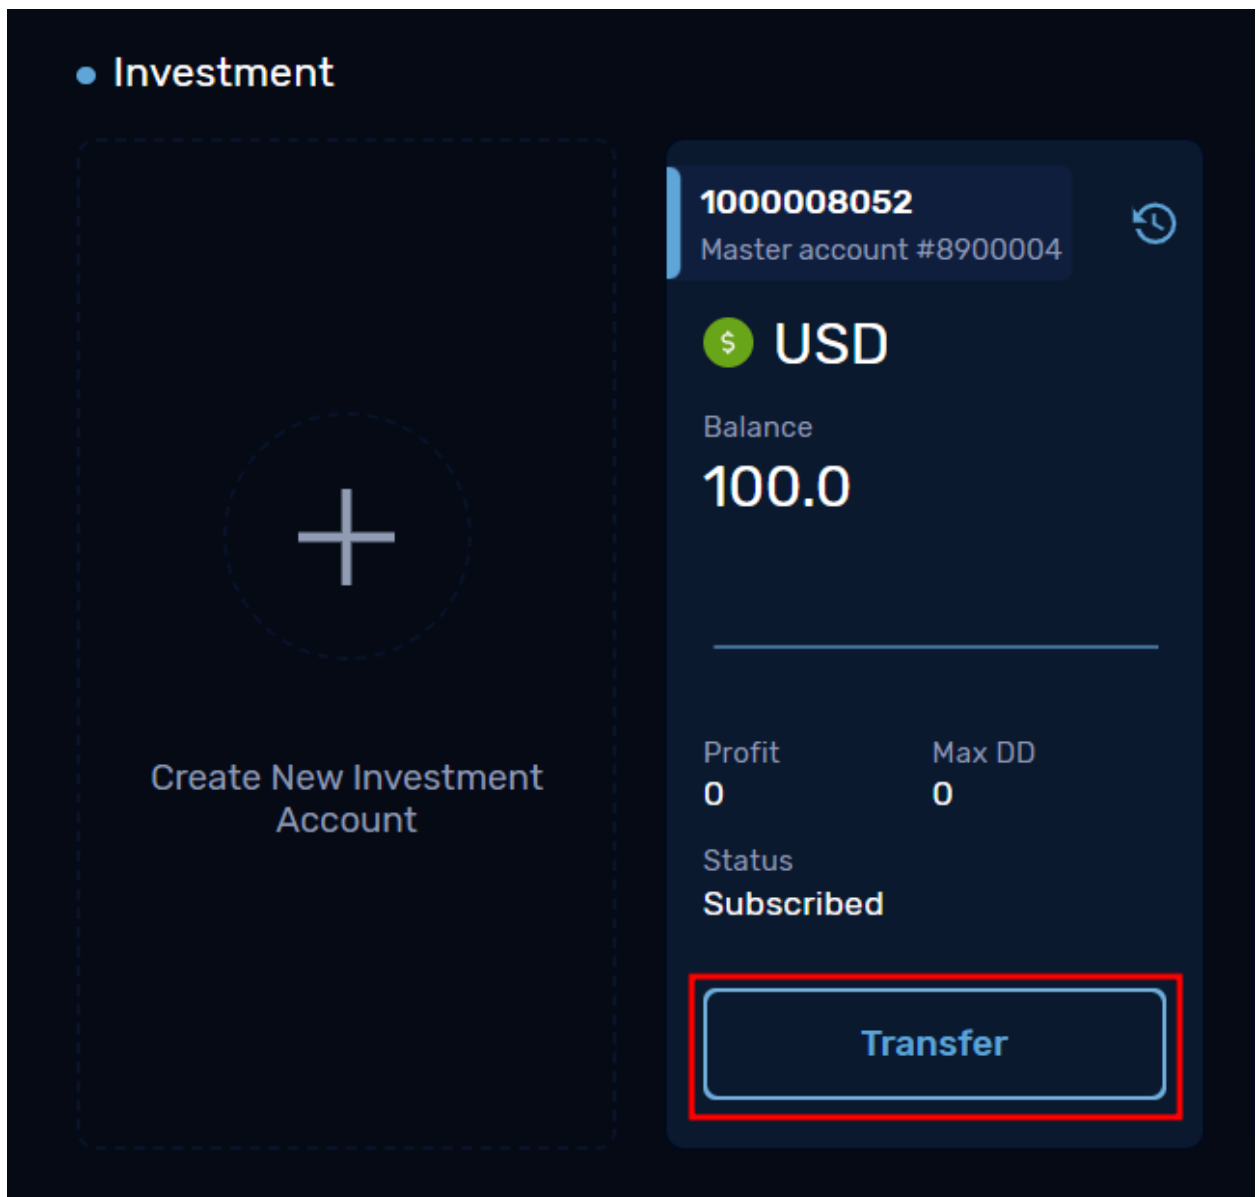

The screenshot shows the 'Account Details' page for an investment account. The account name is 'Investment 1000008052' with a balance of 'USD 100.0'. The 'Subscriptions' section lists one active subscription: 'Master account #8900004' (New user 5). The subscription details are as follows:

Account name, Nickname/Login	Open Positions	Current PnL / Loss Limit	PnL, USD Current / Floating	Status, Since
Master account #8900004 New user 5	0	0 0	0 0	Active 08/05/2024

The 'Unsubscribe' button is highlighted with a red box. The menu also includes 'Edit Values', 'View Fee Plan', and 'View Paid Fees'.

How to Top up Funds

1. Go to **PAMM > My Accounts**
2. Select the Investor account where you want to transfer funds then click on **Transfer**.

3. You will be redirected to the Transfer page
 - a. In the **From Account** dropdown, select the wallet from which you want to transfer funds from
 - b. In the **To Account** field, you should see the account number of the Investor account the funds will be transferred to
 - c. Enter the amount you wish to transfer on the **Transfer amount** field

Transfer

From MT4 Payment Account *
9900 USD | 785013

To MT4 PAMM Investment Account *
100 USD | 10000080...

Transfer amount *

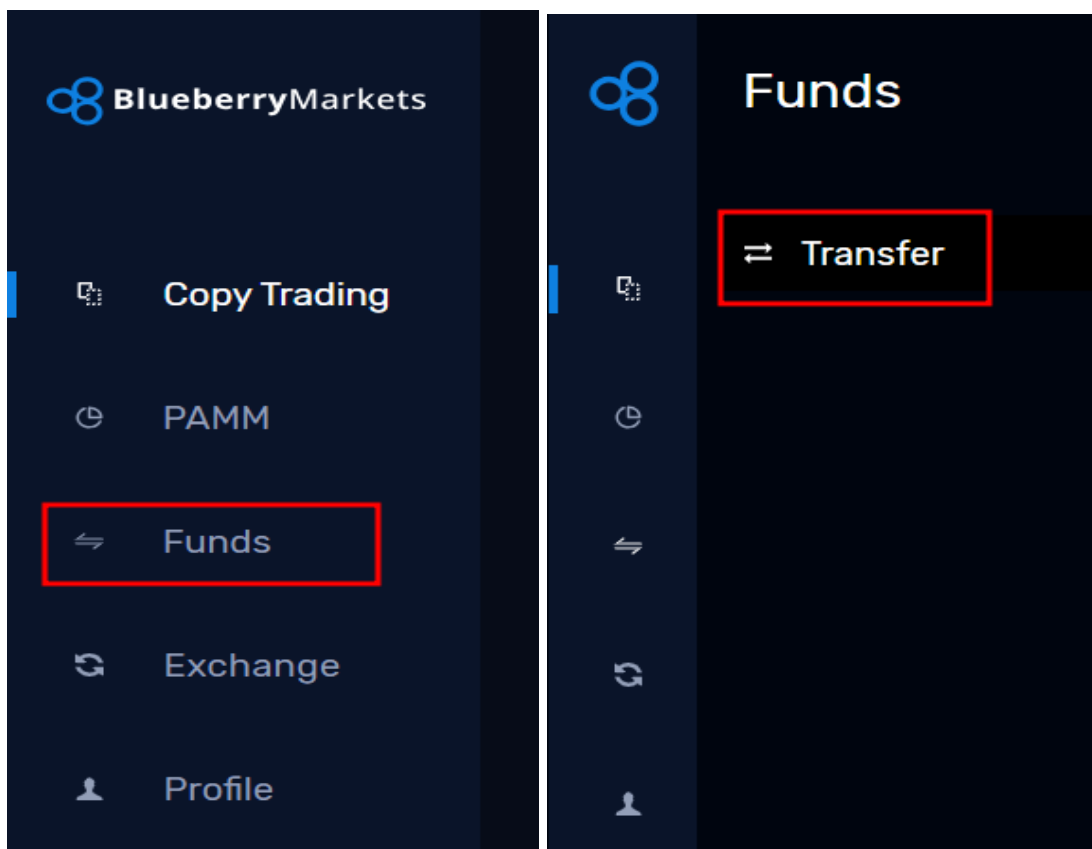

Info: This is the payment message !

Transfer

4. Click **Transfer** to create a deposit request.

How to withdraw Funds

1. Go to **Funds > Transfer**

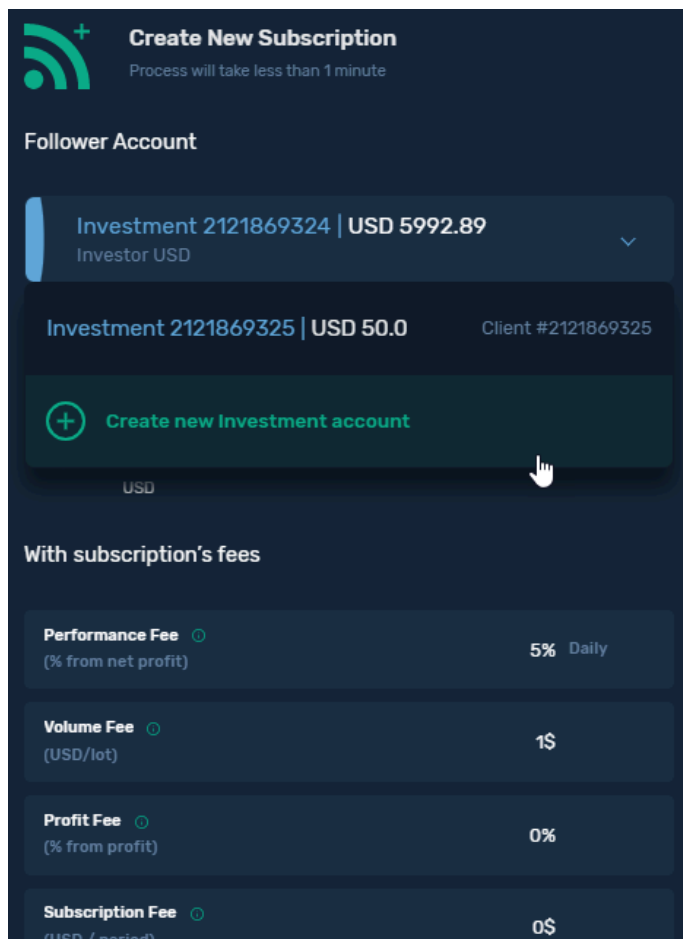

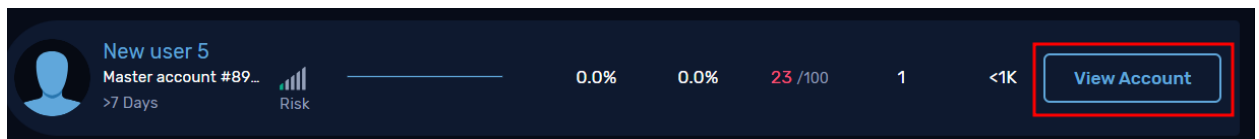

- You will be redirected to the **Transfer** page
 - In the **From Account** dropdown, select the wallet from which you want to transfer funds from
 - In the **To Account** field, select the wallet to which you want to transfer funds
 - Enter the amount you wish to transfer on the **Transfer amount** field
- Click **Transfer** to create a withdrawal request.

Please note:

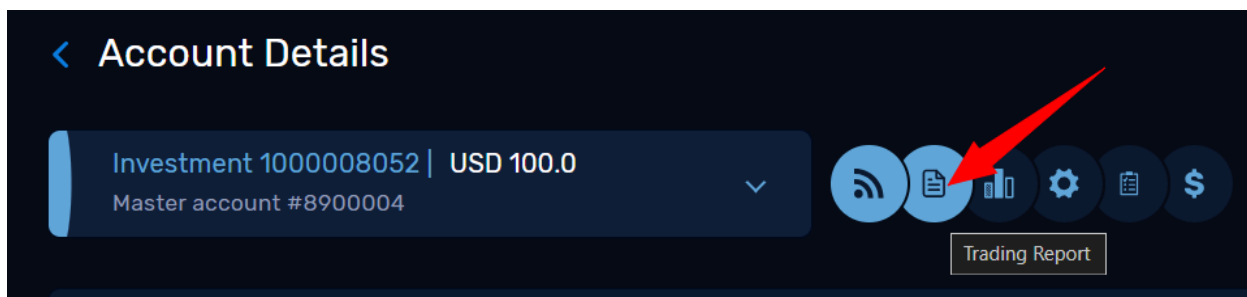

When withdrawing all the available balance from your PAMM investment account subscribed to a PAMM master account, the investment account is **automatically unsubscribed** from the master account.

How to view your trades

- Once logged in, go to **PAMM**, and click on **Leaderboards**. Look for the Master Account you want to view.
- Click on **View Account**.

3. On the **Account Details** page, click the **Trading Report** icon to view your trading activities.
