8. Real Equity on a Selected Client's Account is available for withdrawal at any point in time, however, the Trade Credit cannot be withdrawn as cash (the Trade Credit can only be used as a margin to open and maintain positions).

11. In the event of the Net Equity on a Selected Client's Account being less than or equal to the Trade Credit, the Selected Client may (with or without warning) lose the Trade Credit. This may result in your positions being closed. Further, Blueberry Markets may at its discretion remove the Trade Credit and/or close out any open positions.

It is always the Selected Client's responsibility to ensure that the Net Equity of their Account does not fall below the Trade Credit awarded to them under this promotion.
